COMPANY OVERVIEW

Fireworx 1475 is a competent BBBEE level TWO contributing service provider with full accreditation and a proven track record committed to safeguarding both life and property from the devastating effects of fire.

We offer a host of dynamic professional services ranging from Risk Assessment Surveys to the Design, Supply and Installation of a full range of approved Fire Safety Systems and Equipment. We also carry out on and off-site training to ensure you and your staff know the risks and how to handle them.

Our main consideration to risk includes the health and safety of personnel in the workplace as well as what impact a disaster will invariably have on the environment. We aim to eliminate all forms of risk associated with people and the environment they are working in. Thus ensuring your compliance with the stringent requirements of the Occupational Health and Safety Act.

With our dedicated skilled and competent team, we strive for customer satisfaction by working systematically and effectively on all tasks and projects, in order to achieve a quality outcome that is within budget.

MISSION STATEMENT

To deliver peace of mind to our customers, by providing unparalleled fire & safety solutions to protect their employees and assets

VISION

To grow our position as the market leader in the overall provision of fire safety solutions
